2. Subscription Fees. For each subscription license, Client agrees to pay to Utelogy then current subscription fee (the "Subscription Fee"). Client understands and agrees that access to, and the right to use, the Software and Documentation is for the limited subscription period for which the Subscription Fee has been paid in advance. In the event this Agreement expires or is terminated, or the Subscription Fee is not paid by the requisite due date, the right to use the subscription portion of the Software and Documentation will end and that portion of the Software will cease to function
